GIDEON'S CHILDREN'S HOME

Our featured Children's home for this month.

There are 364 Children who live in the orphanage and 164 live with their guardians under home based programmes. Children's ages range from pre-school to collage age. Here is a picture of a few of our children.

All our college students reported back after two months break. The Lord provided for their needs. We are praying that they complete college successfully and become self sufficient individuals.

Our greatest need at this time is for a water purifier machine. We are looking for funds to put towards a machine so our children can have clean water. We value any donations that would help us purchase one.

Please continue to pray for all of our staff and children so that we may remain in good health during this cold season.

Thank you for your support.

PATIENCE PLEASE!

Exodus 32:1-4

When the people saw that Moses was so long in coming down from the mountain, they gathered around Aaron and said, "Come, make us gods^[a] who will go before us. As for this fellow Moses who brought us up out of Egypt, we don't know what has happened to him."

² Aaron answered them, "Take off the gold earrings that your wives, your sons and your daughters are wearing, and bring them to me." ³ So all the people took off their earrings and brought them to Aaron. ⁴ He took what they handed him and made it into an idol cast in the shape of a calf, fashioning it with a tool. Then they said, "These are your gods,^[b] Israel, who brought you up out of Egypt."

"Consider it pure joy, my brothers and sisters, whenever you face trials of many kinds, because you know that the testing of your faith produces perseverance." Let perseverance finish its work so that you may be mature and complete, not lacking anything.

James 1:2-4

I think people are a little crazy. I include myself in this statement. I often wonder if we as a human race don't give God pause as to why He even created us. Imagine the perspective of God in the above passage of scripture. God brings the Children of Israel out of Egypt, destroys the enemy, He's given them food to eat, water to drink and now they are at the foot of the mountain waiting for Moses, their leader, while he talks to God getting further direction for their lives and well-being. The people grow impatient and so they decide they want to make a god that they can worship and attribute their victory to. Seriously???

This poses a question...Why did they do this? One reason, I believe, is impatience. They simply got tired of waiting! Moses was "so long" in coming down from the mountain that they decided, "forget him" lets take matters into our own hands and make our own god.

As ludicrous as this sounds, nothing has really changed. We today, are just as impatient and impulsive and emotionally moved as a people, that when we don't see the "movement" from God in areas where we think He should be moving, we decide to make things happen. It's in our human nature to do so.

I've seen it in business decisions...things don't turn out the way we thought they should in our 5 year plan, so we throw up our hands and quit and look for employment elsewhere, often times bringing more misery to our lives.

I've seen it when people have purchased a house. They get a word from God, off they go to do their transaction and suddenly, the economy changes and they get out of sorts because

now, the carefully calculated spreadsheet it not unfolding as predicted. So, they sell in order to save themselves, and often bring financial ruin and debt to a greater level than before, rather than waiting and trusting the word from God.

I've seen it in relationships. I want a husband or wife, God has not supplied one where and when I felt He should, so off I go shopping somewhere else. We buy into a relationship that has not been approved by God and then find ourselves further away from God's purpose for our lives, often lonely and miserable.

I've seen it with job choices. We want and think a job should be going a certain way, but then we find out it's a little more demanding than originally anticipated, so we quit, instead of sticking it out and learning in the discomfort. And in the long run, we end up regretting our decision.

What is this impulsivity that drives us? Is it immaturity, or is it just a condition of the human heart? Whatever it is, it often leads us into sin and in doing so, there are often consequences that we have to live with that are no fun at all. In Exodus 32:1, 3000 people died because of this "human condition", ouch... thank God for his mercy today.

Now you may say that impatience is not sin; but it definitely is a quality that will often lead us into sin. Let's look at it a little closer. What is sin? A simple definition of sin is simply "missing the mark". How many times have we missed the mark because we didn't want to wait it out? How many times have we missed

the mark because we thought we could do things in a different (quicker) manner which we thought would caused less stress and uncertainty. I have seen people literally shipwreck their destiny because of impatience, because they grew tired waiting on God, or in this case their leader Moses, because he was “gone so long”.

The saying goes “patience is a virtue”. Actually, patience is a fruit of the Spirit! As a people who have received God into our hearts, as ones who now house Holy Spirit within us, we actually are supposed to have this fruit growing and cultivated in our lives so that we can become complete, lacking nothing. (*Jas. 1:2-4*)

God needs and wants us to persevere in our trials so that patience can have it’s perfect work in us.

So, the next time impulsivity gets the best of you, remember this story of the children of Israel and how their decision played out, and weigh your decisions against theirs.

It’s easy to point a finger at them because we are reading the story after the fact, but take a look at your own life before you get too high and mighty, because your story in hindsight, could end up looking very similar if you don’t allow God to work patience in your heart.

HARVEST OUTREACH MINISTRY

A huge **THANK YOU** to all who continue to help and support our Outreach Ministry!
We are so grateful.

With the exception of July 1st, we will continue to feed the hungry for the month of July. We have a small group of people who hope to carry on with our street ministry **EVERY THURSDAY** throughout the summer.

If you would like more information or if you would like to join us, please email Christine at outreach@theharvest.ca.

Are you a dreamer? Do you see visions but are unsure what they mean? If you want some help in interpreting your dreams, feel free to submit them in writing to Pastor Will Dunford. He will pray with you and help you to understand what God may be saying to you through your dreams. You can email him at will.dunford@gmail.com

Okanagan Valley Pregnancy Care Centre

WE NEED THOSE BABY BOTTLES BACK!

It's time to get those baby bottles back to the Pregnancy Care Centre. Please fill them and return them **RIGHT AWAY!** You can bring them to the outdoor Protest Service and we will collect them there, **OR** you can return them to the Harvest Studio during regular office hours. Thank you in advance for your amazing contributions.

If you'd like, you can get more information about the Pregnancy Care Centre on their website. www.ovpcc.com.

IT'S TIME TO GET GROUNDED!

With all of the shifting that has happened and is still going on, our Harvest Leadership team has decided that it is time for all of us to get on the same page and get grounded.

Realizing that many of us come from different backgrounds, religious experiences, types of churches, faith journeys, etc, there is no easy way to channel everyone down the same path. We also realize that many are new to the faith, some are rekindling their walk with God while others have been steadfast for years.

Whatever category you may fit into, we agree that we all need a deeper and more complete understanding of the scriptures. It is with this in mind that we are starting, as a church body:

FUNDAMENTALS IN THE FAITH

This 24 chapter manual is one of the best foundational courses in existence. It is used in Bible Colleges as well as for one on one discipleship. Here is our summer roll-out plan.

Beginning **WEDNESDAY JUNE 30TH**, different Harvest leaders each week, will be doing discipleship teaching using Fundamentals in the Faith as our guide. We will be teaching the lessons to a studio audience **while we record each session**.

If you are interested in being a part of the studio audience, you can come to the Harvest Studio at **6:45PM each Wednesday** and sit in the class. Classes will begin promptly at 7:00PM.

There is available seating for the first 100 people. There will be no registration and seating is on a first come, first serve basis. The recorded sessions will be available for later viewing on the Canadian Firewall as well as on our Harvest Church U-tube channel.

The Fundamentals manual is available for purchase at a reduced price of **\$20.00**. They will be for sale beginning June 30th during our first mentorship session. You **DO NOT** have to have a manual in order to attend the teachings, however, it would be a very beneficial purchase to help get the most out of the discipleship. Direct any questions to info@theharvest.ca.

Kids Church Outdoors

Our Children's coordinator, Lauren MacNaughton along with Nancy Turner, will be planning activities to engage children during our outdoor protest services.

These activities will be planned for **Children 4-12 years of age**. Find us at the City Park Grounds
